

ANUGRAHA FOUNDATION

To be Bharat's Largest Community platform that encourages every citizen to speak, showcase & dedicate oneself towards Nation building.

Synopsis

Bharat is a vast country both geographically and demographically. Over 1.3 billion people live here following many religions. There are multiple castes, dialects and the cultures are diverse. In spite of all this, the world's oldest democracy tries its best to uphold the philosophy of "Unity in Diversity". The intention of every government is to develop this great nation, its people and its culture but the reality is that the government alone cannot achieve these positive changes without the citizens shifting their focus from 'Fundamental rights to Fundamental duties'.

If every citizen realizes their potential to bring about a positive change then they would also realize that it is their duty to collectively achieve our ambition of moving Bharat from a developing Nation to a Developed Nation.

If you look closely, you will see that many citizens have already started moving towards this goal and are spending their personal money, time and energy to fulfill their duty towards the nation in their own small way. Though the magnitude of the work may be small but the impact they are creating is huge in their area of execution.

These people are working silently at the grass-root level, connecting with the masses and spreading awareness on the importance of nation-building. Their commitment towards their fundamental duties is beyond imagination and the integrity with which they are working makes them role models for the young and the old in our society.

Synopsis

Anugraha Foundation – A not for profit organization has been set up with the sole purpose of highlighting these people, their work, their commitment and integrity towards this nation by creating a sustainable community social platform where citizens of this nation share stories, pictures and videos of such unsung heroes from all walks of life through digital delivery. Anugraha will not only help make the nation aware of such people but it will also help change the current discourse in the nation to move from negativity to positivity. Another important goal of this foundation is to see how to improve the penetration of such great initiatives among the most deprived.

Being an open platform where people share only the good work that is happening in the nation, Anugraha will help change the mindset of the citizens to think, feel and act in favor of the nation. The platform, through its qualified administrators will not allow propaganda of any specific political party or government but will strive to highlight nationalists who are toiling day and night to work for the upliftment of the poor and the development of this nation.

The foundation will also try and help these unsung heroes financially through crowd and individual funding so that they can scale up their good work to cover more area and people. The foundation will also try and help these individuals get resources and monetary support online.

The uniqueness of Anugraha is that it is not a foundation created by any big conglomerate, party, NGO or business tycoon. It is created, executed and communicated by a handful of ordinary citizens of this country who hold this nation above anything else.

Mission

Search, Identify and highlight the real nationalists who work silently for a better Bharat.

Vision

गुरुग्राम। हालांकि मौसम में बदलाव आना शुरू हो गया है। हल्की वर्षा हो जाने से जहां ठंड का प्रकोप फिर से बढ़ जाता है, वहीं ठंड से बचने के लिए भी लोगों को विभिन्न तरीके अपनाने पड़ते हैं। इनमें सबसे बड़ी समस्या उन जरूरतमंद व निराश्रित लोगों को होती है जो ठंड से बचाव नहीं कर पाते। ऐसे निराश्रित लोगों को ठंड से बचाने के लिए कई सामाजिक व अन्य प्रतिष्ठान भी पिछले काफी समय से प्रयासरत हैं। वे अपनी सामर्थ्यनुसार लोगों को ठंड से बचाने के लिए व्यवस्था में भी जुटे हैं। इसी क्रम में अनुग्रह फाउण्डेशन भी जुटी हुई है। फाउण्डेशन के प्रवक्ता अजीत मैनन का कहना है कि संस्था का उद्देश्य है कि समाज के नीचे पायदान पर खड़े लोगों का उत्थान किया जाए। संस्था के संरक्षक राहुल लाल का कहना है कि लोगों को ठंड से बचाने के लिए रुम हीटर आदि का वितरण भी किया गया है। कोरोना काल में भी इस संस्था ने जरूरतमंदों की काफी सहायता की थी। फेस शील्ड का भी वितरण पुलिसकर्मियों को किया गया था। उनका कहना है कि संस्था अपनी सामाजिक जिम्मेदारी का निर्वाह करते हुए इस प्रकार के कल्याणकारी कार्यों में जुटी है।
